

A map of the Twin Cities region, including parts of Minnesota and Wisconsin, is shown in white with a blue outline. The map features a network of green lines representing roads and blue patches representing water bodies. Overlaid on the map is the text for a conference.

Region:

Law, Policy and the Future of the Twin Cities

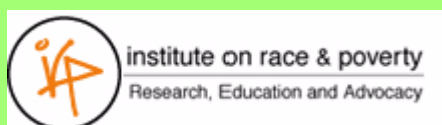

October 23 & 24, 2008

Region will highlight the demographic, transportation, education, and land use challenges facing the Twin Cities, and explore available policy alternatives, given the metro's unique regional and local governance structures.

Speakers will include Minneapolis Mayor R.T. Rybak and Metropolitan Council Chair, Peter Bell.
